Beautiful Bronzes.

The Bronze specimens are especially numerous and beautiful. They carry the outre art nouveau ideas to their extreme limit. Heads with hair that flows into ripples and billows; siender sylphs leaning against tall sun-flower stalks; Grecian figures—heads of Greek girls—terminating in the full flare of peacock tails. There are hundreds of classic and odd conceits -original and exclusive articles—at popular prices. They were selected expressly for us by an expert who went direct to the source of their production.
